

MATRIX TECHNOLOGY LTD. IS THE PREMIER CANADIAN ELECTRONIC MATERIALS DISTRIBUTOR TO THE AEROSPACE, ELECTRONIC, MEDICAL, INSTRUMENTATION, ENERGY, DEFENCE, SECURITY, TELECOMMUNICATIONS AND TRANSPORTATION MARKETS.

## CONNECTORS

- High Reliability
- Ruggedized/Environmental
- Mil Spec
- Circular & Rectangular
- Nano, Micro-D & D-Sub
- High Speed Data
- Fibre Optic
- RF
- Power & Hybrid
- Filtered & Shielded
- Hermetic
- Terminal Blocks
- Transportation
- Heavy Equipment

## ACCESSORIES

- Backshells-Standard, Lightweight, Composites
- Connector Caps, Mounting Flanges
- Heat Shrinkable Boots & Transitions
- EMI & Non EMI Connector Gaskets
- Solder Sleeves & Wire Termination Devices
- Contacts & Fiber Optic Terminals
- Adhesives & Potting Material
- Conductive & Insulating Tapes and Braids
- Bushing Strip, Panel Edge Protection, Grounding Studs
- Ruggedized Flash Drives
- Junction Boxes
- Connector Savers
- Crimp & Assembly Tools
- Cord Grips
- Hi-Temp Protection Cable — Harsh Environment
- Reels/J-Box

**MATRIX TECHNOLOGY LTD. IS THE PREMIER CANADIAN ELECTRONIC MATERIALS DISTRIBUTOR TO THE AEROSPACE, ELECTRONIC, MEDICAL, INSTRUMENTATION, ENERGY, DEFENCE, SECURITY, TELECOMMUNICATIONS AND TRANSPORTATION MARKETS.**

## CABLE PROTECTION & IDENTIFICATION

- Wrap Around Labels, Sleeves & Cable Markers
- Heat Shrinkable & Non Shrinkable Tubing
- PTFE & EMI Tubing
- Silicone Bundle Protection Tubing
- Copper, Stainless Steel & Composite Shielding Braids
- Wrap Around Copper Braid & Conductive Tapes
- PTFE Spiral Wraps
- Complete Conduit Systems for Industrial, Marine & Aerospace Applications
- Printers & Consumables
- Direct Braid
- High temperature Cable Protection Solutions

## CABLE & CABLE ASSEMBLIES

- Standard Custom Assemblies
- Overmolded—Thermoplastic or Silicone
- Flexible PCB
- Data, Power, Coax/Triax
- Fiber Optic & Hybrid Applications
- Integration Of Third Party Connectors
- Prototyping
- Compliance Tested
- Harsh Environment Custom Molded

## ABOUT MATRIX TECHNOLOGY LTD.

Established in 1977, Matrix Technology Ltd. has grown to become the premier Canadian Electronic Materials Distributor to industry leading OEMs in the aerospace, electronics, medical, instrumentation, energy, defence, security, telecommunications and transportation markets. The company's strength is based on a highly focused technical approach to the marketplace, as well as an emphasis on competitive pricing for products and value-added services. Total commitment to customer service based on on-time supply completes the Matrix strategy. Matrix customers are serviced out of strategically located offices in the Toronto (Markham), Ontario and Montreal (Pointe Claire), Quebec area with complete sales and technical services provided across Canada.

Our 22,000 square foot head office complex in Toronto supports the largest heat-shrinkable tubing and engineered materials inventory in Canada. Always in-tune with our clients' evolving requirements, our facilities are equipped with state of the art fabrication equipment to satisfy the rapidly growing demand for value-added services. These include connector assembly, tape slitting, die-cutting, FIP gaskets, lamination, label and sleeve printing, kitting, high speed tubing cutting, cable and harness manufacture as well as detailed technical support for custom designed product applications. An expanding family of synergistic suppliers and products, delivered by an outstanding sales and technical staff, position Matrix Technology to be your strategic partner in materials distribution.
